This information is not associated with identified Data Subject, but by their nature could, through processing and association with data held by third parties, allow Users to be identified.

This category of data includes IP addresses or domain names of the computers used by Users who connect to the Site, URI (Uniform Resource Identifier) addresses of the resources requested, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, error, etc.) and other parameters relating to the operating system and the User's computer environment.

These data are only used to get anonymous statistical information on the use of the Site and to check its correct functioning and, after processing, are immediately deleted. Data could be used to ascertain responsibility in case of hypothetical computer crimes against the Site, if requested by legal authority.

### - **Data provided voluntarily by User**

LA BOTTEGA DEL FALEGNOME collects personal data voluntarily provided by the User during registration or when requesting goods or services offered by the Site.

Users are free to provide their personal data, but failure to do so, may make impossible to access certain parts of the Site.

If customers wish to register on the Site, they must fill out the form "Write Us" in which they give their express consent to the processing of data.

The optional, explicit and voluntary sending of electronic mail to the addresses indicated on this Site involves the subsequent acquisition of the sender's address, necessary to respond to requests, and any other personal data included in the message.

Personal data provided by users who request information material (e.g. newsletters, etc.) are used only to perform the service or provision requested and are not disclosed. The conferment of personal data of users is optional, although functional to the provision of certain services, in these cases, therefore, failure to provide data could compromise or make it impossible to provide the service. The data could also be used to ascertain responsibility in case of hypothetical computer crimes against the Site.

## 2. Purpose and Lawfulness of processing

Personal data provided by Users who request information or send information material (such as contact forms, requests, newsletter subscriptions, etc.) are used to perform the service or provision requested.

Personal data voluntarily provided by User and collected by LA BOTTEGA DEL FALEGNOME may be processed for the following purposes:

- accounting, administrative, fiscal, and similar purposes, in compliance with the obligations provided for by laws, regulations and EU legislation, or provisions issued by authorities empowered by law and by supervisory bodies. The conferment of personal data necessary for these purposes is compulsory and its treatment does not require the consent of those concerned. Refusal to provide them will make impossible to establish relations with the Controller;

- purposes strictly connected and instrumental to the management of contractual and commercial relationships, including potential ones, with customers, whether existing or under negotiation (e.g.: acquisition of information prior to the conclusion of a contract, execution of transactions based on obligations under the contract concluded with the customer, checks and evaluations on the results and progress of relationships, as well as the risks associated with them, etc.). The conferment of personal data necessary for these purposes is not compulsory, but the refusal to provide them may result, in relation to the relationship between the data and the requested service, the inability of the Controller to provide the service itself.

Controller will treat your personal data only if they are indispensable in relation to the purposes mentioned above, in compliance with the provisions of current legislation on the protection of personal data and the general authorizations of the Guarantor Authority.

### 3. Processing methods

Personal data are exclusively identifiable (name and surname, e-mail).

These personal data will be processed by manual, computer and telematic tools with logic strictly related to the above purposes and, in any case, to ensure the security and confidentiality of data.

Data may be processed by authorized categories indicated below:

- Processors (internal and external);
- Persons internally authorized to process data.

In addition, data will be processed at the operational headquarters of Controller and in any other place where the parties involved in the treatment are located.

### 4. Communication and transfer of data

The data collected by the Controller can be communicated also to those subjects to whom the communication is required by law, regulation, or Community legislation.

### 5. Automated processing and profiling

Controller, even without the explicit consent of Data Subject, may use contact data provided by User in the context of sale of a product/service, for the purposes of direct sales of its products/services, limited to the case in which these are like those sold (so-called direct marketing), unless User explicitly objects.

Personal data may also be processed for purposes such as: analysis of the data transmitted and the products/services chosen, sending advertising messages and/or commercial proposals in line with the choices expressed by Users. In this case, the processing will take place only if User has provided explicit and informed consent. In this regard, personal data will be processed for commercial and advertising activities promoted by "LA BOTTEGA DEL FALEGGNAME di Bongiovanni Paolo". The consent is given before the processing and will be revocable by data subject freely and at any time.

### 6. Rights of Data Subject

Data Subject is protected by the rights listed from articles 15 to 22 of GDPR, to which we therefore refer. Regarding the exercise of these rights, Data Subject may contact the Controller, using the contact details outlined in point 1. of this Information.

### 7. Data retention

Personal data will be kept for the period strictly necessary for the pursuit of the specific purposes of the processing, considering the civil and fiscal regulations and for a consistent use aimed at satisfying the interests of the Data Subject. The storage may take place by means of paper filing, or storage within the hardware systems of the Controller or the Processors appointed by him.

### 8. Updating and modification of the Privacy Policy

This Privacy Policy may be modified over time - also due to the possible entry into force of new sector regulations, the updating or provision of new services, or technological innovations - so we invite to consult it periodically.
